Congratulations to all our students on their recent NAPLAN results. Once again our school was one of the top performing schools in the area, with our students achieving strong growth in all areas. Our areas of strength are again numeracy and spelling, and our grammar & punctuation and writing results were strong again also. Our results in reading have started to show improvement, working toward the same very high standards we hold in other areas, as a result of the professional learning teachers have participated in and the programs such as Reading Club that have been implemented across the school.

It is extremely important to remember that our continuing strong NAPLAN results come as we continue to broaden the curriculum with all students learning at least one language other than English, and participating in a wide variety of high quality sporting and artistic programs.

This goes to prove that a good education is a broad one that develops the whole child, exposing them to as many experiences as possible, preparing students to be active, engaged, global citizens.

Welcome to our new Director

Our new Director Public Schools, Ms Kathy Powzun, visited our school in her first weeks in Strathfield. Lunch was provided by our Vietnamese Community Language students (Vietnamese pork and chicken rolls) and Ms Powzun took the opportunity to meet some of our students, including Joceline (yr6) and Esther (K). She is looking forward to getting to know our school community over the coming months.

Kindergarten Orientation

Our Kindergarten Orientation information sessions saw a lot of very eager and excited future Campsie students visit our school so their parents could find out all they need to know to prepare them for school. Next term these keen future students will visit us for 4 orientation playgroup sessions to familiarise themselves with the school. If your child, or someone you know, is ready to start school next year, contact the office to find out about the enrolment and orientation process.

Year 2 Korean Prize Winners

Congratulations to the Year 2 Korean class on winning first place for a K-6 Artwork in the Korean Performance Contest, hosted by the Korean Cultural Office!

The award for the amazing collaborative artwork coordinated by Ms Jeong will be presented at the Korean Cultural Office in Sydney on Wednesday 16th September.
NAIDOC Week

NAIDOC Week is held each July to celebrate the history, culture and achievements of Aboriginal & Torres Strait Islander peoples. It is celebrated by Indigenous communities and by all Australians. During this week our students participated in a wide range of activities including literacy, art, music and history activities. 3En created their own Dreamtime story, The Mimis, using the ABC program Dust Echos and 5LE researched and presented the great contributions of Aboriginal & Torres Strait Islander peoples of Australia.

Athletics Success

Congratulations to our students who competed at the Wiley Park Zone Athletics Carnival. We had a huge team with 9 students subsequently qualifying for the Sydney East Carnival (Amy, Alice, Rachel, Susana, Tamelanee, Alex, Kade, George & Hamid). Susana was awarded Under 11s Girl Champion!

Bankstown Combined Schools Music Festival

Over 80 students represented Campsie Public School at the Bankstown Combined Schools Music Festival at Bankstown Sports Club. We had a large representation in the combined schools choir (conducted by Ms Lupton & Mrs Wan, 12 students in the combined band (conducted by Mr Hanna), as well as performance groups in dance (Ms Haigh & Mrs Koulouris), tuned percussion (Mr Hanna) and drumming (Ms Lupton). Our students were spectacular, and blew the audience away with their musical talents! Thank you to the teachers who taught, prepared and supervised the students and to the parents for their support of the evening.

Tournament of Minds

Congratulations to our Tournament of Minds team, who competed on Sunday 23/8 after 6 weeks of preparation. All their hard work paid off as they did us proud in presenting their dramatic solution to a complex social science problem. ToM requires quick critical and creative thinking, effective problem solving and peer negotiation as well as dramatic skills, and our students demonstrated all of these! Thank you to Ms Kim and Ms Todorovic for doing such a great job preparing the students.

Jincai Shanghai Visitors

31 students from Jincai Experimental School in Shanghai spent a week with us. They attended a range of lessons and extra-curricular activities and stayed with our families, giving them the chance to experience an authentic Australian experience. The students and their accompanying teachers had a wonderful time and were very grateful for the hospitality they received, and have invited us to visit them in future! We would like to extend a huge thankyou to our families that hosted a visiting student!
Excursions
This term saw our students participating in a range of engaging learning activities both in and out of the school. Students are regularly given the opportunity to attend excursions that give students invaluable, memorable experiences that have positive impacts on their learning.

Year 1 retracing Alexander’s Outing!

Year 2 walking tour and museum visit exploring the indigenous history of Sydney.

Stage 2 investigating the settlement history of Sydney, Australia and our neighbouring countries.

Winter PSSA Competition
This year Campsie Public School again entered teams in all available inter school PSSA competitions, providing incomparable opportunities for our students. Both the junior and senior rugby league teams qualified for the finals series, with the senior team winning their semi-final and competing against their rivals, Punchbowl, in the grand-final. A close game resulted in a loss for our team, but the spirit and sportsmanship they showed made us just as proud as if they had won! Congratulations to Susana, named player of the match!
This week students resume a wide range of summer PSSA sports, which continue into term 4.

Education Week Open Morning
Education Week consisted of a range of inspiring educational activities that culminated in an open morning for our families on Friday. Parents enjoyed our k-2 assembly, learnt from our speech and occupational therapists about how to help their children learn, and spent time in class with their children. Thank you to the parents who were able to make time to be with us.
It was a wonderful celebration of the best public education has to offer!

Belmore Boys High School Football 7s Gala Day
A group of stage 3 boys competed for the second year in the football (soccer) gala day hosted by students of Belmore Boys High School. Our team made it to the semi-finals were they were unfortunately beaten.

State Rugby League 7s Comp
Campsie students received a last minute wild card entry to the State Rugby League 7s competition at Macquarie University Playing Fields, after competing at the Canterbury-Bankstown Terry Lamb 7s competition. It was a successful day, where the team were finally thwarted by an administrative error, seeing them play two games consecutively, leaving them exhausted for their final match to qualify for the finals.
Netball World Cup

Our netball teams had an amazing time at Homebush at the Netball World Cup! They participated in drills and games with international netball stars and watched a World Cup Netball match. What an experience! And congratulations to the Australian Diamonds who won the World Cup!

Book Week

Book Week was a fun, colourful and educational experience that saw a book sale, dress up day, buddy reading sessions, class reading activities and the launch of our read-a-thon. Students were engaged with quality texts in fun, engaging and meaningful ways, helping them develop what we hope will be a lifelong relationship with books and reading. Thank you to the students and parents for the efforts you went to in creating your spectacular book character costumes, and to the SRC and teachers for organising so many wonderful activities promoting books and reading.

International Literacy Day

This week saw Campsie Public School celebrating International Literacy Day. Students participated in buddy reading sessions and a wide range of literacy activities. Our Read-a-Thon continues, as we encourage students to read every day by setting reading targets, with Reading Heroes being recognised for reaching their targets.
RUOK? Day

This year, RUOK? Day and World Suicide Prevention Day fell on the same date, drawing attention to Australia’s role in addressing this global public health issue. Every 40 seconds someone dies by suicide, and we should all be doing as much as possible to prevent feelings of isolation and loneliness occurring in our own community.

Students at Campsie Public School participated in activities identifying their feelings and discussed what happens when we feel sad, and who we can talk to about it.

If you, or someone you know, need someone to talk to, help is just a phone call away:
Lifeline: 131114
Kids Help Line: 1800551800

Visit our YouTube channel to see our RUOK?Day video: http://t.co/dK1IlIt6t4

Footy Colours Day

The SRC raised $280 for Footy Colours Day, to help give children and teens living with cancer a brighter future.

National Science Week

National Science Week saw students participating in fun, enlightening science activities all week. Chicks hatched out of eggs, rainbows were made, circuits constructed and forensic mysteries were solved, to name but a few of the amazing scientific achievements!

Campsie Festival Thursday 17th September

9:25 Students parade in cultural dress
10:00 Food stalls open
11:00 Class activities
1:00 Concert followed by raffle
Passive Play Area

Our passive play area has begun its transformation! A fundraising barbecue, donations and a working bee saw phase 1 culminate in an amazing revamped area that students are already enjoying! Thank you to the parents and friends of the school who made donations toward resourcing the play area, as well those who gave up their time to clean, clear, paint, and build!

Phase 2 is coming, so if you have skills or resources that could help, please contact our passive play committee (Mrs Goudis, Miss Luu & Mrs Suess).

---

**CAMPSEY OSHC NEWS**

**July 2016**

Welcome back to Term 3 at Campse OSHC (Out of School Hours Care). We hope you had a relaxing break over the holiday period and look forward to sharing a wonderful Term 3 with you and your family. We would like to introduce our staff members – Jaspreet Sant (Centre Co-ordinator), Marney Gabrione (Assistant Co-ordinator) and our Educators Maree Scobla, Sharon Azzopardi, Paul Thompson Paris Suss and Caroline Tagara.

Vacation Care was extremely well attended and we received positive feedback from children and parents about the themed days we organised. The most popular in Centre days included Pat Day, Wheels Day and BBQ Day. Popular excursions were Putt-putt Golf, the Movies and Visiting a Japanese Restaurant.

The regular weekly program for this term in OSHC is as follows:

<table>
<thead>
<tr>
<th>Monday</th>
<th>Tuesday</th>
<th>Wednesday</th>
<th>Thursday</th>
<th>Friday</th>
</tr>
</thead>
<tbody>
<tr>
<td>Craft Day</td>
<td>Drama Club &amp; Construction Club</td>
<td>Commonwealth Youth Games Challenge</td>
<td>Arts and Craft Club &amp; Science Club</td>
<td>Eco and Sustainability Club</td>
</tr>
</tbody>
</table>

Additional activities are offered each day, prompted by the children’s observed interests and requests.

Families can contact staff at the Centre by calling 0400 360 266 or emailing ouches@primaryy’scareamusau. Centre Managers can be contacted directly by emailing headoffice@primaryy’scareamusau. Alternatively, you can visit our website www.primaryy’scareamusau.com.au.

Each term we hold a meeting for the community. This meeting is advertised in the Centre Newsletter and Parent Noticeboard. This term’s meeting will be held on Tuesday, 16 September.

If you would like to attend, please sign the displayed sign on sheet at the Centre. If no names are recorded the day before the scheduled meeting it will be cancelled.

We invite participation of the community into any aspect of our Centre operation including attendance at some community related events such as International Day of the World’s Indigenous People and Daffodil Day. All families are also welcomed to come and visit our room to observe the children’s activities, daily journals, programs and work displayed.

Kind Regards,

Jaspreet, Marney, Paul, Sharon, Paris, Caroline, Maree and Leisl (Regional Manager)
