Principal's Message – Week Six Term One

Thursday 3 March, 2016

Dear Parents and Carers,

Thank you again for your support of our wide variety of learning programs at our school. It is very much appreciated.

Just an important reminder that will be holding two community meetings at 9.00am and 7.00pm on Monday (7 March, 2016). You are very warmly invited to attend one of these meetings. Please note that the agendas for both meetings will be the same but there will be two meetings to try to accommodate the work and family commitments of our families.

The purpose of the meetings will be to work together as a community to look at the best ways of supporting our language programs in the short and longer term. Please be assured that the language programs at our school are highly valued and recognised across the community and beyond.

The role of the Principal of this school is a very privileged one and I value the commitment of all interested people to ensure we move this situation forward in a professional and positive way for our students according to the guidelines set down for NSW public schools.

Warm Regards,

Joanna French
Principal
