Principal’s Message

Friday 11 March, 2016

Dear Parents, Carers and Friends,

Welcome to week seven of term one. It is hard to believe that we are well over half way through the term already.

Community Meetings
Thank you to our many parents and community members who attended the community meetings about our highly regarded languages programs earlier this week. As promised we are now in a position to survey all parents about which language they would like their child to learn as a Community Language or Language Other Than English (LOTE).

Please note that if your child learns Korean as part of our bi-lingual program, this is not included in the survey because the learning of Korean is in addition to the learning of a Community Language or LOTE.

1. Please read the accompanying information and then go to the relevant link below (depending on your child’s year level) to complete the survey.

2. If you would rather wait for a series of opportunities before and after school in week 9 (week beginning Monday 21 March, 2016) to complete the survey in our school library at school with teacher assistance please do so.

3. These opportunities will be on Tuesday 22 March, 2016; Wednesday 23 March, 2016 and Thursday 24 March, 2016 from 8.15am-8.45am in the mornings and 3.15pm to-4.00pm in the afternoons.

4. Translations of the survey instructions will be provided next week.

Please note that it is VERY IMPORTANT that all families complete the survey for all children enrolled at Campsie Public School.

Assemblies
Our first whole school assembly for 2016 will be held at 10.15am next Friday morning – Friday 18 March, 2016 in the school hall. We warmly welcome all parents and carers to attend.

Thank you for your ongoing support of all our learning programs at our vibrant school.

Warm Regards,
